01

CATONOMICS

ABILITIES

Each NFT cat has its own ability that can be used in The Purrquest and Clash of Claws, such as Whiskerflame or Tailwind.

STATUS

Each cat has lives. Lives are consumed by in-game activities, can refilled periodically, by inviting friends and can be bought in the marketplace

LINK TO THE CAT IN THE SHELTER

Each NFT created by cat shelters will be linked with a real shelter cat

WEARABLES

Gear: Hats, boots, capes, glasses
Consumables: Potions and treats bestowing in-game powers
Enhancements: Amulets providing unique in-game spells

ROYALTIES & APY

Cats saved in the Purrquest can be purchased as playable characters, providing infinite royalties to the rescuer. Each cat generate APY in tokens based on the value.

ACCESS

Owning an NFT gives access to Catbassadors, virtual cat home and other games in which tokens can be earned

02
